

## Sports Partnership

### Vision

Building a network of churches and organization across Albania to empower young christian believers and sports people to use sport to speak about Christ through football.

### Project Context:

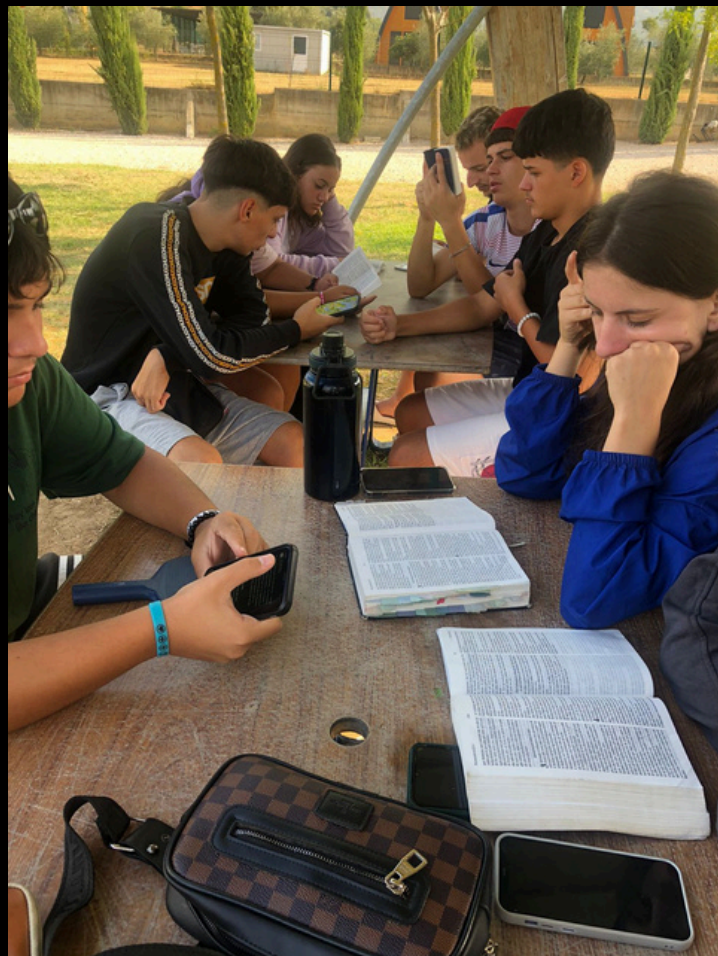

We have been working for 4 years to build a football team for children and at this time we have about 80 children with 4 Christian coaches.

We work is to build relationships with children and parents and we do clubs, football camps, tournaments, where we create an environment to share for Jesus.

# Mission for 2025

- 1- To build 3 or more partners with churches or organizations to build football ministries in the areas where they are.
- 2- To hold a football conference in Albania where we will have professional Christian footballers with us and we can invite non-believing athletes to share the gospel.
- 3- Hold a soccer camp for children for 4-5 days where we have the opportunity to share the gospel, pray for them, and build relationships.
- 4- We will create trainings for Christian and non-Christian coaches by inviting Christian speakers and professionals to win as many coaches for Christ as possible.
