

Arló Partnership 2025

Sport for Development in North/Eastern Hungary

Elfogadlak
Alapítvány

Elfogadlak Alapítvány (meaning "I Accept You - Foundation") is a Hungarian foundation run by Franciscan Sisters and is focused on supporting disadvantaged Roma families, with a particular emphasis on the spiritual growth and development of children and youth.

The foundation provides a range of programs throughout the year, aiming to uplift and empower the local community through education, social activities, and Christian teachings.

football & english camp

One of its main events are the annual sports camps, where participants also study English, hear and read God's word, connect with mentors and receive sports shoes and a soccer ball, ensuring they can fully participate in the camp's activities and use these items throughout the year.

Since 2018 a families and volunteers travel to Arló to spend 2 weeks together building lasting relationships & deep friendships.

2024 highlights

- Sport & English Camps in August with approx. 100 children
- Collaboration with Serbian Partner Project
- More former campers serving as leaders
- First campaign for fire wood support
- Shoes & school supplies for 30 local families

2025 focus

- Football & English week for local youth
- Children's Play & Sports week
- After-School clubs with homework & study support
- Fire Wood project
- Partnerships with other projects as part of the Roma Sports Network

specific needs

Throughout the year our local partners support families and children from the local community and have an open house and regular activities for the children and young people.

- Heating, fruit & yoghurt for the community center.
- Sports Equipment & resources for the camps
- Fire wood to support the families during the winter months.
- Pencil cases & other school supplies
- Shoes & socks for the children & young people
