

**Connecting Hearts, Serving Communities,
Inspiring Change**

The background

The Paris Hub is a product of the Ensemble2024 initiative, inspired by the historic opportunity presented by Paris hosting the 2024 Olympic and Paralympic Games. Recognizing the global significance of the Games as more than just a sporting event, the Hub was envisioned as a space to foster community building and faith-driven service. Drawing lessons from similar initiatives at previous Games, it leverages Paris's unique position as a cultural and spiritual crossroads to unite local and global communities. With the Games drawing millions of visitors and participants, the Hub was established to meet both the logistical and spiritual needs of mission teams, volunteers, and local populations.

The opportunity

The Paris Hub represents a unique opportunity to harness the energy and global attention of the 2024 Games to create a lasting legacy of collaboration and service. Acting as a centralized platform, it facilitates partnerships between international mission teams and local organizations, enabling resource sharing and coordinated action. Positioned in the heart of Paris, the Hub is not only a crossroads for global cultures and faiths but also a critical resource for addressing local community needs, including outreach to vulnerable populations. Beyond serving immediate practical and spiritual needs, the Hub is designed to inspire and sustain a spirit of unity and collaboration that will endure long after the Games, setting a precedent for future global events.

What happened at the Hub?

- Welcoming space for gathering, preparation, and debriefing.
- Meeting rooms and training facilities.
- Logistical support for mission teams and visitors.
- Daily prayer and worship opportunities, including a prayer marathon.
- Faith-based discussions and training sessions.
- Hub for connecting individuals, organizations, and ministries.
- Space for workshops, collaborative projects, and brainstorming.
- Social outreach programs for vulnerable populations (meals, companionship).
- Opportunities for hands-on community involvement.
- Warm and inclusive environment fostering relationships.

Some voices

"I am thankful for the outreach programs that allowed us to serve the local community. It was a privilege to meet and support vulnerable populations, and it left a lasting impact on me."
-outreach volunteer

"Thank you for providing such a well-organized and resourceful space. The logistical support and facilities allowed us to focus on our mission with clarity and confidence."
-ministry leader

"I am deeply thankful for the warmth and hospitality of everyone at the Paris Hub. The way we were welcomed made us feel like family, and it created an atmosphere of unity and connection."
-athlete's family member

Prayer requests

- Offer gratitude for the countless volunteers, leaders, and mission teams who contributed their time, energy, and hearts to create a welcoming and transformative space.
- Pray in thanksgiving for the partnerships and collaborations formed at the Hub. May these relationships endure and grow, amplifying their impact in future initiatives.
- Pray in gratitude for the joy and fulfillment experienced by those who visited the Hub. May the hope and inspiration they encountered there ripple outward into their communities and lives.
