

serving the Portuguese sports movement

Vision and Mission

ReadySetGo Portugal is a collaboration network where churches, sports leaders, agencies and sports people bring their uniqueness and build meaningful relationships. Across the sports ministry spectrum – from leisure to elite sport – everyone can find a place in the ReadySetGo Portugal network. We meet through gatherings, prayer, mentoring and meals to support one another and strengthen sports ministry across Portugal.

Project Context:

ReadySetGo Portugal supports personal and spiritual growth in and through sports across Portugal. Churches, agencies, sports ministries and individuals form a network serving elite and community athletes, children, youth, parents and sports communities. Our collaboration is built on relationships, mutual support and generosity, helping one another grow without competing for recognition. Partners can connect athletes with ministries elsewhere or share KidsGames training without promoting their own name or logo.

Goals and Objectives:

1. Empower and Connect Sports Ministries Across Portugal
2. Foster Community and Collaboration
3. Promote Personal and Spiritual Growth In and Through Sports
4. Organize Gatherings and Events
